9) WEATHER CONDITIONS

The Organisers shall have right to suspend the competitions and/or modify the programme in case of unfavourable weather conditions with no right of any financial claim from the participants.

10) SPORT RISK-TAKING

Each competitor shall carry out at least one controlled run to check the overall status of the protections and related risks. Should a fault or a poor protective action be detected, the competitor will be obliged to fill a written note, sign it and hand it to the race director (copy to the competition secretariat), who shall handle the matter accordingly.

WILD CARDS

The Organisers, in case of redundancy of entries, shall have right of rejecting entries exceeding the maximum number of allowed participants. The date of pre-registration within the indicated terms shall establish the priority.

If due to reasons unrelated to the will of the Organisers the events should not be competed in the established date, the events shall be adjourned to a time to be arranged with no right of any financial claim from the participants.

The Organising Committee refuses all responsibilities related to accidents and/or damages to people and/or things before, during and after the event.

For all provisions not mentioned in the present regulations it shall be referred to the IIDA, IDF and FIRS regulations.

The registration at the World Cup of Downhill and/or at the World Downhill Championship involves the complete acceptance of the present regulation.
